St. Francis Xavier Senior School is a school whose objective is to provide education in an environment which promotes certain religious values and does not discriminate where it refuses to admit as a student a person who is not Catholic and it is proved that the refusal is essential to maintain the ethos of the school.

St. Francis Xavier Senior School caters for children from 3rd to 6th Class, normally aged between 8 and 12 years by 1st June of the year of starting. Pupils must be of an appropriate age for the class for which admission is sought; for example, a pupil seeking admission to 3rd Class in September must have reached 8 years of age by 1st June of that year. Applications for pupils whose age falls outside the normal age range for the class applied for will be considered having regard to their date of birth, previous educational history and appropriate class placement, in accordance with the school's Admissions Policy and relevant Department of Education requirements.

Pupils Returning from Recognised Specialist Provision: Where a pupil previously enrolled in the school attends a recognised specialist school, class or programme and subsequently seeks to return, the school may prioritise that pupil for admission, subject to the availability of places and the school's published admission criteria. Places cannot be

held or reserved for pupils who are not attending the school. Any available places will be offered in accordance with the school's enrolment policy and applicable Department of Education requirements.

Residency at the Time of Application: Applications for enrolment will only be accepted from applicants who are ordinarily resident in Ireland at the time of application. The school will not accept applications based solely on an intention or proposed future move to Ireland, where the applicant is not yet resident in the country. This is to ensure that available places can be considered for children who are currently eligible for enrolment and to avoid places being held or unavailable while a proposed relocation remains uncertain. Applicants who are not yet resident in Ireland may make contact with the school regarding future enrolment; however, an application for a place will only be considered once the family has established residence in Ireland and can provide the information required under the school's Admissions Policy.

St. Francis Xavier Senior School is a school which has established three classes, with the approval of the Minister for Education and Skills, which provides an education exclusively for students with a category or categories of special educational needs specified by the Minister and may refuse to admit to the class a student who does not have the category of needs specified. It is aimed that each AS class will cater for pupils of similar ages i.e. 3rd/4th class age group, 4th/5th class ages group, and 5th/6th class age group.
